

From Robert's Desk

Many of you have read some form of the following before, but it is always a good thing to keep in mind. Enjoy and *have a great week!*

Paradoxical Commandments of Leadership

By: Kent M. Keith

- People are often unreasonable, illogical, and self-centered.
Forgive them anyway.
- If you are kind, people may accuse you of selfish ulterior motives.
Be kind anyway.
- If you are successful, you will win some false friends and some true enemies.
Succeed anyway.
- If you are honest and frank, people may cheat you.
Be honest and frank anyway.
- What you spend years building, someone could destroy overnight.
Build anyway.
- If you find serenity and happiness, they may be jealous.
Be happy anyway.
- The good you do today, people will often forget tomorrow.
Do good anyway.
- Give the world the best you have and it may just never be enough.
Give the world the best you have anyway.
- You see, in the final analysis, it's all between you and God.
It was never between you and them anyway.
