**Continue in God's Word**  
**By: Robert Orren**

I am one of those people who will watch movies and certain episodes of T.V. shows over and over (and sometimes over) again. I do it because I want to see some of the same things I enjoyed before; but, I usually end up seeing something that I missed the first few times.

I also will sometimes read the same books more than once. Sometimes, when I am reading a book, I will go back and re-read previous chapters. I do this because I need to be reminded of things that have already happened in the story so that the rest of the story will make sense.

I'm not sure how many of you are the same way; but, wouldn't it be wonderful if we all were as thorough with God's word? I need to know God's word better than I know my favorite movie. I need to be able to quote the Bible as easily as I can quote my favorite T.V. shows. When I read the Bible, I need to go back to previous chapters, so that what I am reading will all make sense.

The word of God should dwell within us (Colossians 3:16). Jesus said in John 8:31-32, "If you continue in My word, then you are truly disciples of Mine; and you will know the truth, and the truth will make you free." Do you love God's word enough to continue in it and abide in it? Read it over and over (and definitely over) again.

*Have a great week!*
