Digging in the Wrong Place
By: Robert Orren

“And having been made perfect, He became to all those who obey Him the source of eternal salvation.” Hebrews 5:9

Many of you may remember the movie *Raiders of the Lost Ark*. There is a scene in the movie where Indiana Jones and Sallah discover that their arch enemy has some incorrect information about where to find the ark of the covenant. When they realize this information, they happily proclaim in unison, “They’re digging in the wrong place!”

I can’t help but think that Satan is saying the same thing when he sees people searching for salvation. Salvation is sought in many places, but found in only one—Jesus Christ.

I am reminded of Jesus’ parents as they searched for Jesus in Luke 2:43-44. They believed Him to be in the caravan, but He was not. Think of the time wasted looking for Him in the wrong place! Today many people seek Jesus through a religious leader or through denominational creeds, not realizing that the Bible is the only complete revelation of God’s word. They are sincerely seeking, but they are digging in the wrong places.

If you are seeking Jesus, seek no further than His word (2 Timothy 3:16-17). Nothing more and nothing less will do.

Have a great week!
